

REMARKS

The applicants hereby provisionally elect Group I. Claims 1-20 read upon the elected group.

This amendment/election is in response to the Office Action mailed 11/08/2006 in regard to the above-identified patent application. Claims 21-30 have been deleted below, without prejudice, in response to the election/restriction requirement. Claims 1-20 are now pending in this case. A separate sheet showing the status of all claims, in accordance with C.F.R. 121 is enclosed. In addition, Claim 2 has been amended to correct an informality.

Electronically filed concurrently within PAIR is a \$60 fee for a petition for a one month extension of time.

Should any unresolved issue remain, the Examiner is invited to call Applicant's Attorney at the telephone number indicated below.

Respectfully submitted,

/Kevin P. Correll/
